

Creating Your Community

1. Select as many cans of play-doh as you want-please take plenty!
2. Select as many chenille stems (also known as pipe cleaners) as you want-help yourself!
3. Using what you have collected, create a representation of what an ideal college classroom what look and feel like.
4. Feel free to be as creative as you like – have fun!

Creating Your Community

1. Take **NO MORE** than three cans of play-doh!
2. Take **NO MORE** than 6 chenille stems!
3. Make an exact replica of a typical college classroom using these materials
4. Follow these instructions exactly!
